February 9, From The Bridge

Ahoy Mates,

On February 7th, a few members of the Bridge met with Tony Dybeku the General Manager of the Waterside Restaurant located here in the Channel Islands Harbor. We discussed the possibility of making Waterside the official home of the Harbour Island Yacht Club. The discussion went so well that I am proud to announce, Waterside Restaurant, as the new official home of the HIYC!

So, what does that mean to the members of HIYC? It means we now have a place to call home. As our home, Tony has offered Happy Hour drink prices, to all yacht club members that identify themselves by presenting their yacht club ID. I believe that this is a significant benefit for our members and also allows Waterside to expand their clientele as well. It is a win-win situation for both parties. This relationship, and the benefits, will be posted on our website.

In the near future we will be placing a sign in the restaurant indicating it is the Home of the Harbour Island Yacht Club along with one of our burgees.

Additionally, this benefit will be extended to our reciprocal yacht clubs.

Cheers,

Jeff Howe
